THE IVALANI RETURNS.

Captain King Annexes Necker Island.

The steamer Iwalani returned from annexing Necker Island, situated in latitude 23° 27' 18" N., longitude 164° 39' 00" W., on Tuesday evening. Captain King read the following proclamation and left a copy of the same on the island:

"I, JAMES A. KING, Minister of the Interior of the Provisional Government of the Hawaiian Islands, in pursuance of a commission granted to me by His Excellency Sanford B. Dole, President of the Provisional Government of the Hawaiian Islands, do hereby, in the name of the Provisional Government of the Hawaiian Islands, take possession of this island known as Necker Island as a part of Hawaiian territory; the same lying within the Hawaiian archipelago, in latitude 23° 35' 18" N. and longitude 164° 30' 00" W. and having been claimed by the Hawaiian Government as Hawaiian territory since the year 1845, when an expedition under Capt. William F. F. was sent to survey said island. Done at Necker Island this 27th day of May, in the year of our Lord one thousand eight hundred and ninety-four."
J. A. King.

The Iwalani left here for Necker Island on Friday afternoon and arrived on Sunday at 11:30 a. m. Captain King, Captain Freeman, chief engineer Norton and a boat's crew landed on the island and explored it. They found several idols and petrified flesh, which they brought to Honolulu with them.

THE KAMS WIN.

They Come Within an Ace of Defeat by the Crescents.

The Kamehamehas, as expected, defeated the Crescents yesterday afternoon, by a score of 7 to 6. The kids were there in full force and repeated their howling and yelling, much to the aggravation of those who wished to enjoy the game.

After the game there was nearly a fight. A member of the Kamehameha contingent called a Crescent player some nasty name which nearly resulted in a set-to. If it did, it would not have caused much harm, as the "upstarts" want a pulling down. For the Crescents Willie Wilder made a run in the first inning. In the seventh inning G. Angus and H. Wilder covered the home plate after brilliant stealing. In the ninth McNichol secured first on an error of second base, and was retired at second. W. Lucas made a base

stole second and third and came home on Lishman's two-base hit. Lishman came home on C. Holt's bagger. Holt covered the home plate and Regus died at second.

Lemon made one run for the Kams in the third inning and Koki, Wise and Lemon added three more to the score. In the seventh Mahuka scored, and in the eighth Lindsay and Kaanoi made a circuit of the bases on errors made by Lucas and Lishman. It was really the Crescents' game had it not been for these errors. The attendance was poor, and will be poorer still if the Kams' kids continue their hoodlum conduct.

Harry Wilder and G. Angus were the battery for the Crescents, and Pahau and Lemon for the Kams.

Following is the official score:

And also pains in my back and a general feeling of being used up. My business takes me out in the elements all the time, and I found myself unfit for work. Reading an advertisement of Hood's Sarsaparilla, and learning that the medicine was compounded in my own state of Massachusetts, I concluded this may be an honest medicine.
